# Angelina Bacon

#### **Major?**

Information Systems with a minor in Business
Analytics

#### **Plans After Grad?**

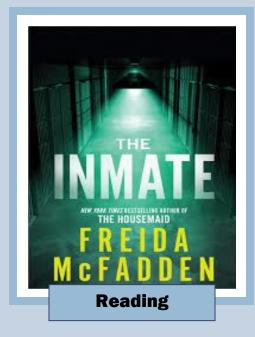

Hopefully starting my career as a Data Analyst or even branching out into Digital Marketing.

#### **Technical Background?**

I have actually never been the most tech savvy person like ever. However, that's why I was so interested in studying IS and have grown to deeply enjoy it. A lot of my skills have been developed through my previous IS courses and I consistently use platforms like MS Office, Wordpress, and Canva.

## **My Hobbies**

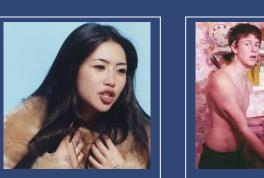

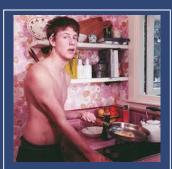

**Baking** 

**My Favorite Music Albums** 

### **My Favorite Movies**

### Why I chose UNR...

I fell in love with the beautiful campus and I loved that I am still relatively close to my home, Las Vegas!

# My biggest aspiration...

To go backpacking through Southeast Asia!
